

### Zechariah Week 2 Discussion Questions

(Please watch the kids church video before answering these questions)

1. What is the big problem that stops us from being God's friend?
2. Who were the 2 characters in Zechariah's vision?
3. How do we know that Joshua has sinned? How do we see that the problem of his sin was fixed?
4. What was the job of the high priest? What did they offer for the sin of the people?
5. Why did this not work?
6. How did God fix the problem once and for all?

#### Let's Pray!
